Ms. Atkinson:

Regrettably, the telecom scheduled for President Begaye today at 2:15 p.m. with Janet McCabe will need to be postponed to another date and time. President Begaye is addressing emergency issues concerning the contamination spill into the Animas and San Juan rivers that occurred while U.S. EPA was performing work on a worksite in the Silverton, Colorado area. Attached is a copy of the Declaration for State of Emergency issued by the Navajo Nation.

I will be in contact with you to reschedule the telecom. In the meantime, please send me some availability options. Thank you.
